Twenty-five Schools and Colleges In Aggies' Track Meet Saturday

College Park, Md., May 4.—Twenty-five schools and colleges will take part in the Maryland Agricultural College intercollegiate and interschool track and field games here Saturday. This is the same number of institutions represented last spring, but the majority are represented by larger squads. Three or four of the schools which sent squads last year to take part in the class for county schools are not entered but new ones which never before have had their colors worn at College Park are sending teams.

The largest squad which will represent one of the institutions that has never before sent men is that of the Westminster High School. Twelve boys will enter for the honor of this school in the limited intercollegiate contests. The Washington High schools are entering forty-three boys, as the largest aggregation from any one school. Central High will have forty-two men in the competition. Western eighteen, and St. Alban's fourteen.

The Baltimore City College is represented by the next largest squad, sending twenty-nine men. The Baltimore Polytechnic Institute, Tome Institute, Frederick High, Sparks Agricultural, Taneytown High, Chevy Chase High, Franklin High, Laurel High, Hyattsville High, Rockville High, McDonough Institute, Emerson Institute, St. John's College, Surrogateville, Wisconsin High, Emerson Institute, Eastern High School, and Georgetown Prep School are other institutions represented by squads numbering from two to sixteen men.

Prof. C. Edw. Beckett will referee the meet and the starter, Carney, is official handicapper for the Middle States Amateur Athletic Union and has had years of experience in that kind of work. The other men, practically all of whom have had connection with track sports for years.

A force of men has been working on the track for more than a week to get it in good shape. All arrangements for the men have practically been concluded. The athletes and those in charge of them will be entertained at meals at the college free of charge and everything possible to insure the comfort and convenience of the contestants has been done.

LOWE AND COOGAN IN FIFTEEN-ROUND DRAW

Local Light-weight Meets a Tartar in Battler From Brooklyn.

Tommy Lowe, the veteran local light-weight, and Mel Coogan, the Brooklyn mauler, fought fifteen rounds to a draw last night in the main bout at the Maryland Athletic and Social Club. Referee Joe Freeman's decision being no surprise to the fans. Not until the eighth round did the blood first show its face, Lowe slitting Coogan's eye with a hard left hook.

From the first going until the last both fighters forced the fighting, Lowe being a slight aggressor over the visiting light-weight, but this was offset by the steady flow of left hooks which the Brooklyn boy showered on Lowe. After the fourth round both boys showed the lack of condition, but they came back in the next rounds and when the final rounds came around the boys were fighting even harder than in the earlier session.

In the semi-windup Harry Smith, of Brooklyn, made Kid Jeter, of Baltimore, quit in the fourth round, knocking him down twice the second time for the full count of ten. The other two preliminaries proved a sad disappointment to those present, the first between Jimmie Conroy and Battling Brown was stopped after the first session, Conroy having too much the advantage on his adversary, while the battle royal did not come up to expectations.

The exhibition is to last five days, beginning May 25, and will be a most extensive one, as has been in previous years. In addition to the agricultural display and horse show there will be a program of running races each day with substantial purses added. All of the stables on the grounds already have been engaged by well known owners of speedy thoroughbreds, many of which are now taking part in the Pimlico meeting.

Special trains will be run from Baltimore and Washington.
